

# ASK FOR THE CARD

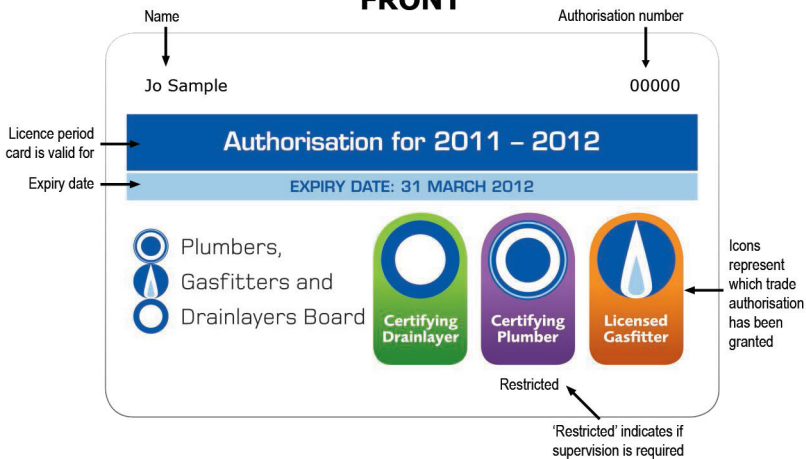

ABOUT TO HIRE A  
PLUMBER, GASFITTER  
OR DRAINLAYER?

First check to see if they are authorised to undertake the work by asking to see their card. All authorised tradespeople must carry their authorisation card issued by the Board. The card also details what a person's supervision requirements are, if any (on the reverse).

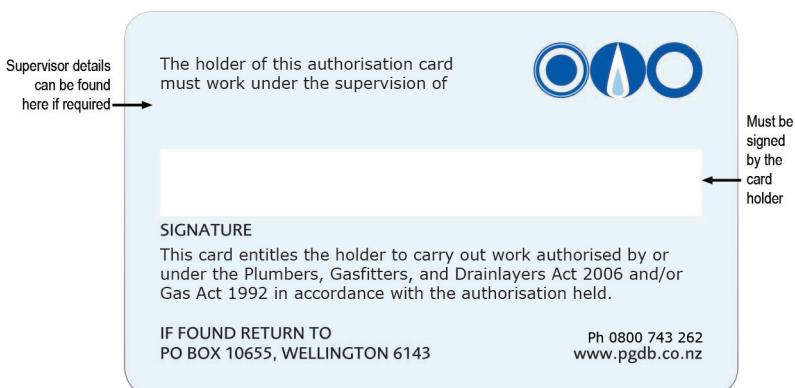

You can also check to see if a tradesperson is authorised by visiting [www.pgdb.co.nz](http://www.pgdb.co.nz) or phone the Board on **0800 743 262**.
